Our Story

Founded in 2012 as a division of Houseworks Ltd., Crates & Pallet shares a history of home improvement with an established level of excellence in quality, design and service that began in 1975 with the manufacturing of miniature dollhouse components. Crates & Pallet makes new crates, pallets, and other wood products in various sizes that are sold at retail and for retail display. We strive to keep up with current market trends in order to continue providing valuable products that generate ideas and spark creativity.
