- (6) Large Crates
- (3) Vegetable Crates
- (2) 4' x 8' x .5" plywood sheets
- 4' x 8' .1875" plywood sheet
- (4) Casters
- 1-1/4" brad nails
- 3/8" wood screws

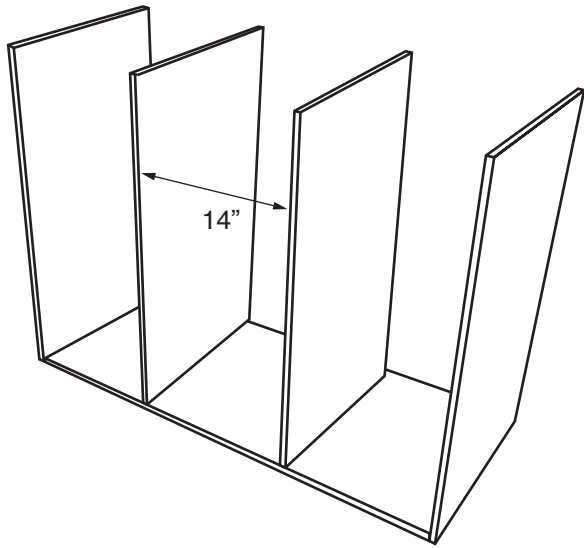

Tools:

- Circular saw/Miter saw
- Drill
- Brad nailer

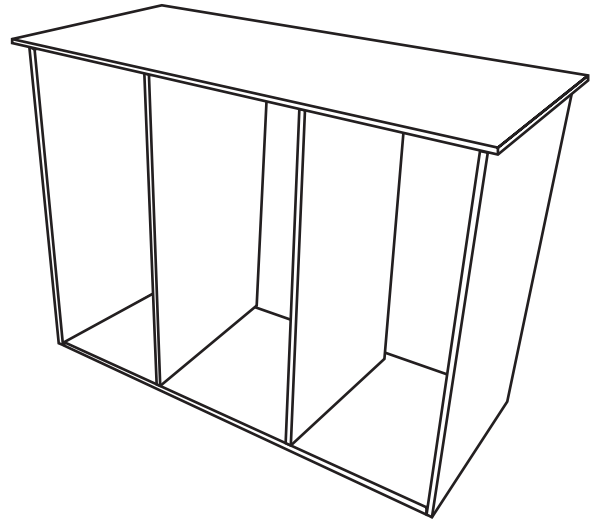

Cut List:

- (4) 18" x 31" x .5" plywood boards
(vertical dividers)
- (2) 12.75" x 18" x .5" plywood boards
(horizontal dividers)
- (2) 12" x 14" x .5" plywood boards
(horizontal dividers)
- 43.5" x 20" x .5" plywood board
(top)
- 41.5" x 18" x .5" plywood board
(base)
- 41.5" x 31" x .1875" plywood board
(back)

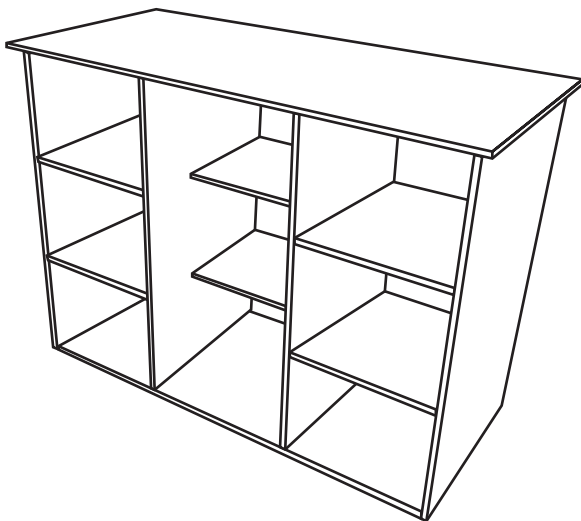

Crate Kitchen Island Instructions

1. Arrange vertical plywood boards (the middle dividers 14" apart) and secure through base with brad nails

2. Attach top so that there is an even overhang on all sides and secure with brad nails

3. Insert horizontal dividers evenly spaced as shown, secure with brad nails

4. Insert crates and secure casters to base using wood screws
